

Thank You from Your UMW

Thank you to all bakers, craft makers, purchasers, and donators for your generosity and support of our FUMC UMW at the bake & craft sale on April 2. We appreciate everyone's contribution which enabled us to raise \$1340, which will all be used for UMW church projects. One bake sale project purchase that is currently being planned is a large flat screen television which will be installed on the wall in the Fellowship Hall. The women of FUMC thank everyone for making this purchase and other future project purchases possible through your generosity at our bake & craft sales.

Johnson City District UMW Mission Trip

Join UMC women from throughout the Johnson City District at a local mission trip to Shades of Grace UMC in Kingsport on April 29 from 10 AM-2 PM. We will be assisting in putting together Breakfast Ministry Packages for people who need assistance in the Kingsport area. There will also be a brief program and tour, a box lunch will be served for \$10. Registration prior to Monday April 24 is required. Please contact Nancy Honeycutt or Judy Cook for more information and to register.

The Appalachia Service Project & Habitat for Humanity have asked FUMC if we would provide a crew of 7 people/day to do home repair on a home in our neighborhood during the period of July 22-30th. This is being done in conjunction with 5 other churches, each taking a separate home. We have a few volunteers right now but not nearly enough to have a crew each day. Can you volunteer for a day, 2-3 days, or the entire 9 days? This is a great neighborhood outreach opportunity. If you can help, please call Brian Rosecrance at 747-4671 or the church office.

Confirmation Class will begin Sunday April 23 at 4:30 and meet every Sunday for six weeks. Youth seventh grade and up are encouraged to attend if they haven't been confirmed yet. Steve Reis will be the primary teacher.

We need your help! Please call (928-9222) or email the church office (office@1stchurchjc.org) with the names of upcoming graduates. We will also need additional details such as the school, names of parents/guardians, as well as contact information if available. We want to celebrate their achievements whether it is from high school, trade school, technical school, college, or post graduate degrees. Thank you!

It's not too late to join one of this year's mission teams traveling to the Czech Republic!
