FUMC continues the ministry begun in 2015 of providing new or "nearly new" warm winter coats, jackets, sweaters, sweatshirts, hoodies, gloves, mittens and socks to the residents of our community in need of warm outerwear. Nearly 500 warm winter items were distributed last year!

The response from the FUMC family was amazing and most appreciated. We are appealing to you once again to donate outerwear items in good condition. Donations of all sizes and for all ages (infant to adults) are needed.

A large, red box for donations is located near the church office in the connector. Pick up of your donations from your location is also available and may be requested by calling the FUMC office (928-9222) or 647-7270.

Thank you in advance for your support of this ministry to our community. The first distribution of the donated outerwear will be Saturday, November 18, 2017 (10:00 am-12:00 noon) at the FUMC Neighborhood Center on Maple Street.

For more information or to volunteer, call the church office at 928-9222 or visit the website: 1stchurchjc.org

Thank you! Thank you! Thank you!
