

2022: Backpacks for Liberia

This year's Hands-On Mission project for the Three Rivers District is "Backpacks for Liberia."

The school kits will equip students to learn and grow and keep the sometimes prohibitive cost of school supplies from keeping them from pursuing their education. The district goal is 400 backpacks. To do our part to help, FUMC has set a goal of 40 backpacks. Sunday School classes can put these backpacks together or you can assemble one on your own. All supplies should be placed in the backpack, and please do not add any extra items. Filled backpacks can be left in the print room.

- 1 12" ruler
- 2 boxes chalk (not sidewalk chalk)
- 1 compass for math
- 1 protractor
- 1 10-12 pack pens (blue or black)
- 1 10-12 pack pencils
- 1 pack erasers
- 2 pencil sharpeners
- 3 spiral notebooks
- 1 small Bible

Please remove all price tags, and place all items in the backpack. Do not add extra items, make substitutions, or provide larger quantities than requested.

Please make a \$5 donation for each backpack to FUMC with the note "Liberia Backpacks" to help us cover the shipping costs.

Backpacks need to be at First Church by Monday, May 23.
