GIVE it a try: ONLINE GIVING

After you try online giving you will like it. The first time you go to the page you will need to create a user i.d. and password. The payment system is secure and managed by a company with an outstanding service and safety record. You do not have to store your credit card or bank account information permanently, but you have the option to store it for ease of use later. The QR code takes you to the online giving page. If you do not like to use your smartphone or tablet for this, you can also find the GIVE NOW button on the home page of our church website at www.1stchurchjc.org.
