## Theme Logo 2015

The winner, again this year, for the logo theme, is Debbie Watson, a member of Christ United Methodist Church in Knoxville, TN. She has served her UMW unit as both President and Vice-President.

Debbie's explanation of her logo is: This design represents Jesus as the cross and his repeated question to Peter as the heart on the cross. Jesus' directive to Peter and to us all

"Feed My Lambs" is at the foot of the cross where all lambs gather.

*Attention: It is important to note that Holston Conference United Methodist Women have two logos. First, we have our "primary" logo which is the UMW logo with the cross and the flame (Faith, Hope and Love in Action written underneath). Then we have the "secondary" logo, our "theme" logo. All too often we are disassociating ourselves from the UMW "primary" logo by not using it. It is especially important that we use it, respecting the UMW universal theme which is Faith, Hope, Love in Action. Thank you for using both logos throughout your new year.*

# THE EMBLEM

The emblem for **UNITED METHODIST WOMEN** affirms our continuity as women organized for mission. Its symbolism affirms our continuous growth and renewal.

The emblem for **UNITED METHODIST WOMEN**, as well as that for the church, combines the cross and a flame, symbolizing the Holy Spirit. The cross and flame are ancient symbols of the church, dating back to the days of Christ and the Pentecost. Each evokes images of sacrifice, witness, and service. Both remind us of the opportunities and obligations of discipleship. Paul's ancient words to Timothy have fresh and contemporary meaning:

***I now remind you to stir into flame  
the gift of God which is with you.***

II Timothy 1:6, NEB

As part of the emblem for **UNITED METHODIST WOMEN**, these symbols remind us of our **PURPOSE** of helping women to grow as persons and in community in their understanding of and willingness to participate in service for the church at home and abroad, and in organizations of women for mission service and support in many areas of need.

Our heritage is one of sacrifice, witness, and service. The emblem serves as a continuing reminder of both opportunity and obligation.

The shape of the emblem is likewise symbolic. It is fluid and free flowing, suggesting change and mobility. As organized groups of women, this has been our heritage - often as the forefront of movements of change, at times supporting the projects initiated by others, but always aware of the times and striving to move with them rather than be overwhelmed by them.

As **UNITED METHODIST WOMEN**, let us think on the meaning of our emblem and endeavor to use our abilities and opportunities to grow and to help others!
